Vila Gomes Cardim - São Paulo - SP

## ABOUT ME

Currently an undergraduate in system analysis and development, and also a history teacher. Constantly challenging myself to learn and study new subjects and knowledges. My personal hobbies range from chess, eletronic games, music, reading and yoga.

## OBJECTIVE

Looking for internship for web and softwares development, either with front-end or back-end programming. My development skills range from basic to intermediate level, but my greater interest is to work with recents technologies in web development area. I am also available for remote jobs and moving to other cities.
