Vila Gomes Cardim - São Paulo/SP - Brazil

## ABOUT ME

Currently an undergraduate in system analysis and development, and also a history teacher. Constantly challenging myself to learn and study new subjects and knowledges. My hobbies range from chess, eletronic games, cinema, music, reading and yoga.

## OBJECTIVE

Looking for an internship for web and software development, either with front-end or back-end programming, however my greater interest is to work with recents technologies in web development area. My development skills range from basic to intermediate level. I am also available for remote jobs and moving to other cities.
