Vila Gomes Cardim - São Paulo/SP - Brazil

ABOUT ME

Currently an undergraduate in system analysis and development, and also a history teacher. Constantly challenging myself to learn and study new subjects and knowledges. My hobbies range from chess, eletronic games, cinema, music, reading and yoga.

OBJECTIVE

Looking for an internship for web and software development, either with front-end or back-end programming, however my greater interest is to work with recents technologies in web development area. My development skills range from basic to intermediate level. I am also available for remote jobs and moving to other cities.
